### DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

#### *Claim Objections*

2. Claim 13 is objected to because of the following informalities:

Re claim 13, line 2: "it" is vague and should be replaced with "said smart card".

Appropriate correction is required.

#### *Drawings*

3. Figures 5 and 6 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. See MPEP § 608.02(g). Corrected drawings in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

#### *Allowable Subject Matter*

4. Claims 1-18 are allowed.
5. The following is an examiner's statement of reasons for allowance:

Art Unit: 2876

The best prior art of record fails to teach or fairly suggest that at least one of said connections includes a conductive track that is conformed and disposed so as to overlie the active face, visually concealing a significant portion thereof with at least one wide portion, and has at least one narrow portion adapted to bring about easy disconnection by breakage thereof in the event of moving that track or eliminating the whole or a portion of that track facing the active face as set forth in the independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
